

Project: Utah Transit Authority -- Utah Future New Starts

Recipient: Utah Transit Authority

Location: Salt Lake City, Utah

Purpose: The purpose of the Future New Starts projects is to provide high-quality transit service with important transit connections across the Wasatch Front. The future new start projects are: Sugarhouse Line (streetcar), South Davis Line (streetcar), Ogden Streetcar, Taylorsville Transit Way, Western High Speed Rail Study, Salt Lake City CBD TRAX Connections, Draper Light Rail Extension, Utah County Light Rail Extension, Brigham City Commuter Rail Extension, and Payson City Commuter Rail Extension. Requested funds would be used to help plan for the development and implementation of the next round of transit projects.

Amount: \$46,000,000
